Re: United States v Byron Barber  
Ind #: 19 Cr. 00451 (GHW)

Dear Judge Woods:

Without objection of the government, by Jacob H. Gutwillig, I seek to file out of time a supplemental sentence letter due on April 8, 2020. The letter would replace and supersede the original sentencing letter filed by my office on October 6, 2020, and addresses certain changed circumstances which have arisen since the first letter was filed. The reason for this request is that I was caused to be out of town the entirety of last week to address certain family matters and such matters proved far more time consuming than I had anticipated. As a result, I was not able to complete the superseding submission on time, and seek the Court's permission to file it today.

Accordingly, I respectfully request the Court accept the supplemental sentencing submission being filed today to supersede the October 6, 2020 defense letter previously filed and served in this matter. I thank the Court for its attention to this matter.

Sincerely,

*Robert A. Soloway*

SO ORDERED
